نقشه

- a. Students were encouraged to apply the language for expressing their ideas.
 - b. Students were helped to gradually become independent from the teacher.
 - c. The teacher helped students to develop a number of language habits.
 - d. The teacher assisted students to develop their own inner criteria for correctness.
36. An activity which is truly communicative has a number of features. Which of the following is **LEAST** likely to be one of them?
- a. prediction
 - b. information gap
 - c. choice
 - d. feedback
37. There are a number of drills used in an audio-lingual class. Which of them requires students to ask and answer question of each other one-by-one?
- a. repetition drill
 - b. question-answer drill
 - c. transformation drill
 - d. chain drill
38. A content-based teacher might ask students to fill in the vocabulary words in the blanks in the modified cloze passages as they watch the video. What is the main principle behind this observation?
- a. When learners perceive the relevance of their language use, vocabulary is easier to learn.
 - b. Vocabulary is easier to learn when there are contextual clues to help convey meaning.
 - c. Language vocabulary is enhanced when different modes of presentation are used.
 - d. Vocabulary learning is mainly a visual activity and watching a video presentation is useful.
39. "I believe that what happens in the classroom should be connected with what happens outside that has relevance to the students. I listen for themes in what students say that will provide the content for future lessons." Which of the following approaches is this teacher most probably adhering to?
- a. content-based approach
 - b. task-based approach
 - c. communicative approach
 - d. participatory approach
40. As a direct method teacher, which of the following are **LEAST** expected to do in your teaching?
- a. Describing grammar rules and then giving examples.
 - b. Conversing in the target language with students to improve their proficiency.
 - c. Establishing direct association between meaning and the target language.
 - d. Using pictures and pantomime to clarify meaning.
41. Which of the following intelligences is strong in someone who is able to see abstract patterns and to reason well?
- a. body/kinesthetic
 - b. logical/mathematical
 - c. visual/spatial

نام درس: روش تدریس زبان انگلیسی

d. musical/rhythmic

42. Which of the following is **FALSE** as one of the characteristics of an audio-lingual method?

- a. Grammar is taught inductively by giving examples.
- b. Students memorize native language equivalents of new words.
- c. Dialogs are used to introduce new vocabulary and structures.
- d. The teacher reinforces students' correct responses.

43. Which of the following is easier to do if you strong in interpersonal intelligence?

- a. puzzles and games
- b. chart and grids
- c. hands-on activities
- d. project work

44. "I expect my students to make errors when they first start speaking. I am really tolerant of such errors. I postpone working on the fine details of language until my students have become somewhat proficient." Which of the following methods is most probably advocated by this teacher?

- a. total physical response
- b. desuggestopedia
- c. community language learning
- d. content-based approach

45. "I believe that language has phonological, morphological and syntactic levels, and a good language learner is one who has enough knowledge and skill in all these levels." What is the method applied by this teacher?

- a. community language learning
- b. silent way
- c. total physical response
- d. audio-lingual

46. As a desuggestopedia teacher, what would you say regarding the way you deal with students' feelings?

- a. I believe that students should feel secure while in class.
- b. I remove the causes of stress while students are learning.
- c. I, actually, have no principle regarding my students' feelings.
- d. I think my students would learn better if they feel relaxed.

47. As a total physical response teacher, which of the following statements would you **REJECT** easily?

- a. First language learning can serve as a basis for foreign language learning.
- b. Students should enjoy learning to communicate; language learning should be fun.
- c. The teacher should remain silent and speak as little as possible.
- d. Learners should be free from stress while learning a foreign language.

48. As a teacher who follows the communicative approach, which of the following areas would give the most emphasis in your teaching?

- a. pronunciation

تعداد سؤالات: ۵۰ تکمیلی -- تشریحی --
 زمان امتحان: تستی و تکمیلی ۱۲۰ دقیقه تشریحی --
 تعداد کل صفحات: ۸

نام درس: روش تدریس زبان انگلیسی
 رشته تحصیلی: گرایش: مترجمی زبان و ادبیات انگلیسی
 کلاس: ۱۷۱۴۱۴ - ۱۷۰۴۴۴

- b. vocabulary
- c. functions
- d. structures

49. Which of the following statements is **FALSE** as one of the ideas of a communicative approach teacher in dealing with students' feelings?

- a. By learning to communicate in a foreign language students will be motivated to study it because they feel they are doing something useful with the language.
- b. Students should be given an opportunity to express their individuality by sharing their ideas and opinions.
